Meeting of February 8, 2011

## This month in Rotary: 103<sup>rd</sup> anniversary and World Understanding Month

Today's meeting was another of one of our Club's unique Assembly meetings whereby much is accomplished in a short space of time: Call to order, special presentations, break out into individual Committees, Hold your committee meetings, enjoy your breakfast and socialize, present your committee's report, receive feedback from the members, enjoy seeing the Sgt at Arms relieve everyone of their happy and sad dollars!

Only one thing missing now: If any Committee head would like to send in their Committee's brief report, your editor would be very pleased to publish it in the net week's bulletin.

Here's is your pictorial Assembly synopsis!

Our Treasurer Bill Brooke was presented with his Paul Harris + 1 pin today, PP Bill McNulty, for his on-going service and support of the Rotary Foundation.

Confession

An elderly Italian man who lived on the outskirts of Rimini, Italy, went to the local church for confession.

The man said: "Father, During World War II, a beautiful Jewish woman from our neighborhood knocked urgently on my door and asked me to hide her from the Nazis. So I hid her in my attic."

The priest replied: "That was a wonderful thing you did, and you have no need to confess that."

"There is more to tell, Father. She started to repay me with sexual favors. This happened several times a week, and sometimes twice on Sundays."

The priest said, "That was a long time ago and by doing what you did, you placed the two of you in great danger, but two people under those circumstances can easily succumb to the weakness of the flesh. However, if you are truly sorry for your actions, you are indeed forgiven."

"Thank you, Father. That’s a great load off my mind. I do have one more question."

"And what is that?" asked the priest.

"Should I tell her the war is over?" To Those of Us Born 1925 – 1970.

McMath Interact Fundraiser:

PDG Bob Blacker introduced a small container on behalf of the Mc Math Interactors, for your kind donations in their quest for funds to go toward their community and international projects.

What’d he say?
