

ROTARY CLUB OF STEVESTON

Club Bulletin for April 30, 2007

OPENING:

President **Jack Evans** welcomed members and guests to the 7:00 am meeting.

Rick Alder – Toast. **Bob Jones** – invocation.

GUESTS:

Loren Slye, Director Steveston Community Society

NOTES:

- **Bob Butterworth** reported some unofficial numbers regarding tickets sold, revenue from the auction and money from the 50/50.
- **Sally Houston** thanked all who donated and suggested we have a sign indicating where the funds go to, what our club does - an opportunity to promote Rotary.
- A general discussion on the event was had by all, covering lighting, heating, washroom access, First Aid kit, crowd logistics, all items to be taken to the appropriate committee for discussion.
- **Loren Slye** provided some input - advising that the event could hold 750 people and had some options to expand as this is considered Steveston's Premier event of the year.
- A review of the tv with the hockey game being played that may have distracted from the auction was also discussed, with the emphasis that it is a Seafood and Wine event - not a hockey event.
- **Gordon Dalglish**, on behalf of the Sunrise Club, talked about the Spring Gala Dinner this Saturday, to be held at the Executive Inn. There will be a Silent Auction. Tickets still available.
- **Sally Houston** reminded members that this Saturday there will be a workshop for all club members on the upcoming year. Breakfast will be served.

Some Photos from the event
